

ART NEEDS ALLIES — BECOME A SPONSOR

Help Us Raise Their Voices – And Their Confidence

The Evergreen Children's Chorale (ECC) has been nurturing young performers and enriching our mountain community through the power of musical theatre since 1996. With two performance companies serving students in 2nd–8th grade, ECC reaches over 2,000 audience members annually and engages hundreds of families through shows, outreach, and educational programming.

By becoming a sponsor, your business will gain visibility among a loyal and engaged local audience—both on stage and off. Your support helps provide professional-level performance opportunities, access to arts education for all families regardless of financial means, and a platform where young voices can shine.

**Join us in creating transformative experiences
through the performing arts—and make your brand
part of something truly meaningful.**
